

**CITY OF MILTON, WISCONSIN
LIFT STATION 12 AND FORCE MAIN
DESIGN ENGINEERING
WORK ORDER**

Engineer's Project No. 181100.40

Project Description:

This Project consists of providing design engineering services for a wastewater lift station on Parkview Drive north of Townline Road and the associated force main. The assumed force main route is along Arthur Drive to S. Janesville Street to Lift Station 4; alternate routes and destinations will be evaluated as part of this Project.

Engineering Services:

The general provisions of this Work Order are enumerated in the Engineering Services Agreement between the Owner and Engineer dated January 1, 2016. Engineer shall provide the services set forth in Attachment A, attached hereto. Manpower Requirements and Fee Summary are listed in Attachment B.

Compensation:

Compensation for the services will be in accordance with the Engineering Services Agreement dated January 1, 2016. The Owner shall pay the Engineer for the services performed or furnished under Attachment A, based upon the Engineer's standard hourly billing rates included in Attachment B for actual work time performed plus reimbursement of out-of-pocket expenses including travel, which in total will not exceed **\$102,000.00**.
