RE: Letter of Recommendation – Yost Management – Red Hawk Apartments

Yost Management is a highly respected and valued client of NorthMarq. We are working on the financing for the Red Hawk project and we can attest to them being very experienced owners of multifamily real estate.

NorthMarq is the largest privately held Commercial Real Estate Intermediary in the country, with a Servicing portfolio in excess of \$56 Billion. NorthMarq has repeatedly been in the top ranks nationally for providing Commercial Mortgage financing.

We are excited to work with the Yost's and their partners. Please let me know if you have any questions.

Sincerely,

Bill Hardman
Vice President
