**City of Milton
Zoning Board of Appeals
May 28, 2020**

Call To Order

Chairperson James Polarski called the May 28, 2020 meeting of the Zoning Board of Appeals to order at 5:30 p.m.

Present: Chairperson James Polarski, Theron Dosch, Tom Kevern, Maxine Striegl, Carl Schultz, and Ken Holland.

Also Present: Ken Pavlick, Tom Pavlick, City Administrator Al Hulick, Public Works Director Howard Robinson, and Administrative Services Director Inga Cushman.

Approval Of Agenda

M. Striegl motioned to approve the agenda. T. Kevern seconded, and the motion carried.

Approval Of Minutes - May 7, 2020

C. Schultz motioned to approve the minutes. T. Kevern seconded, and the motion carried.

Public Hearing And Discussion And Possible Action To Consider A Request Received From Tom Pavlik, Of KT Enterprises Of Milton, LLC, For A Variance To Allow For A Reduction Of Miniwarehouse Parking Spaces Per Section 78-1233 Of The City Of Milton Code Of Ordinances

Director Robinson provided an overview of the agenda item.

Chairperson Polarski opened public hearing at 5:40 p.m.

K. Pavlick and T. Pavlick provided comments on their project.

Chairperson Polarski closed the public hearing at 5:43 p.m.

Chairperson Polarski read the standards that must be taken into consideration when granting or denying a variance, and the board discussed the request.

- Unnecessary Hardship - which is a situation where, in the absence of a variance, an owner can make no feasible use of a property, or strict conformity, is unnecessarily burdensome. The board confirmed the absence of a variance is unnecessarily burdensome.
- Unique Property Limitation – a unique physical characteristic of the property, not the desires of or condition personal to the applicant, must prevent the applicant from development in compliance with the zoning ordinance. There were no comments from the board on this standard.
- Protection of the Public Interest – in granting of a variance must neither harm the public interest nor undermine the purposes of the ordinance. The board's actions should be

consistent with the objectives stated in their local ordinance, which (in the case of a floodplains or shoreline ordinance) has been adopted to meet minimum state statutory requirements. There was no public opposition.

- Additional Court – Established Principles – Violations by or variances granted to neighboring owners do not justify a variance. Variances attach to the property as a permanent right. Once a variance is granted, it is permanently attached to the property. A new owner of the property may make use of a variance that was granted to the previous owner if all of the conditions that are attached to the variance are met.

T. Kevern motioned to approve the variance request so that off street parking shall be determined for one space per 10 storage units. There was no second, and the motion failed.

T. Dosch motioned to reduce the parking requirement to 1 space per 20 units. T. Kevern seconded, and the motion carried.

T. Kevern asked the Plan Commission complete a thorough review of the ordinance change they will be reviewing on June 2, 2020 related to this matter.

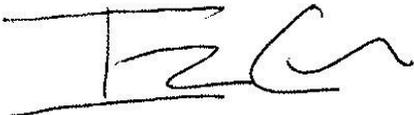

General Items

There were no general items.

Motion To Adjourn

T. Dosch motioned to adjourn the May 28, 2020 Zoning Board of Appeals meeting at 6 p.m. T. Kevern seconded, and the motion carried.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'IC' followed by a flourish.

Inga Cushman
Administrative Services Director

Department of Public Works

To: Zoning Board of Appeals
From: Howard Robinson, Director of Public Works
Date: July 30, 2020
Subject: Public Hearing and Discussion and Possible Action to consider a request from First Community Bank for a Variance to allow for a sign with a square footage up to 62 square feet.

Summary

First Community Bank has applied for a variance to construct a new wall sign at their property located at 202 Merchant Row. A picture of the proposed sign is included with their application. The lot is located in a B-3 zoned area. They have done work to replace the front face of the bank and have combined three previously separate store fronts. B-3 zoning allows one wall sign up to 32 square feet per business. This sign would be approximately 62 square feet. We have received no correspondence from neighboring properties concerning this sign. If there had been the original 3 building fronts, there would have been 96 square feet of wall sign available.

Recommendation

Staff recommends approval of the sign as proposed.

Recommendations by Director of Public Works: The building front face
combines various building properties that were at
one time separate. The current face of the building
would only allow 32 sq feet of sign face. If the buildings
had not been combined into one property they could have
had this square footage per property. I would recommend approval.

NOTICE OF PUBLIC HEARING

The City of Milton Zoning Board of Appeals will hold a public hearing on **Thursday, July 30, 2020 at 5:30 p.m.** via Zoom teleconference, to consider a request received from First Community Bank for a Variance to allow for installation of a wall sign that exceeds the maximum sign area for the B-3 zoning district per Section 78-1934 of the City of Milton Code of Ordinances. The business is located at 202-216 Merchant Row, Parcel Number V-23-516.1, V-23-513, and is zoned B-3 (Central Business District).

Code of Ordinance: Sec. 78-1934 – Summary of maximum sign areas and numbers for nonresidential uses. B-3 Wall, Awning, or Projecting: 1 s.f. of sign area per 20 s.f. of building façade area on that wall, up to 32 s.f. for each business in the building.

All interested persons or their agents will be heard at said hearing after which a final determination will be made. This notice is given under Section 78 of the Municipal Code of Ordinances.

Please Note: This Public Hearing will be conducted via telephone. Members of the public may participate via the internet link <https://us02web.zoom.us/j/84485987833?pwd=MTRjT0E1K1YwcEEzWGZDdGFNZkhwdz09> or by calling 1-312-626-6799 and entering meeting ID: 844 8598 7833 and password: 213338

Department of Public Works

To: Zoning Board of Appeals
From: Howard Robinson, Director of Public Works
Date: July 30, 2020
Subject: Public Hearing and Discussion and Possible Action to consider a request from Scott Murray for a Variance to parking requirements for a parking lot expansion at 619 College Street.

Summary

Scott Murray has requested a variance to install a larger parking lot at his property located at 619 College Street. The entrance to the parking lot is on Campus Street. A drawing of the proposed parking lot is included. A picture of the existing parking lot is also included.

They currently do not have one stall per apartment and would like to increase the number of stalls to 24 stalls.

Items that do not meet current ordinances and would be a reduction in the aisle width for the first angle parking stall entering the parking lot and the last two angled stalls on the west end of the parking lot from 24 feet to approximately 20 feet.

They would need approval to reduce the throat entrance of the driveway from 25 feet to 19.5 feet for the entrance from Campus Street. This requirement may be waived for a preexisting parking lot if you consider the driveway entrance adequate.

All off street parking that has head in parking within 6-feet of a lot line required to have a tire bump or curb.

If the variance is approved, plan commission will review this plan as a site plan and will review lighting and landscaping.

We have received verbal phone calls and emails from neighbors concerning this request. They have been notified of this meeting.

NOTICE OF PUBLIC HEARING

The City of Milton Zoning Board of Appeals will hold a public hearing on **Thursday, July 30, 2020 at 5:30 p.m.** via Zoom teleconference, to consider a request received from Scott Murray for a Variance to allow for construction of a parking lot that does not meet all ordinance requirements per Section 78-1204, Section 78-1210, Section 78-1234 of the City of Milton Code of Ordinances. The property is located at 619 College Street, Parcel Number V-23-993, and is zoned R-4 (Residential District 4).

Code of Ordinance: Sec. 78-1204 – Access. For parking lots including six or more parking stalls, each required off-street parking space shall open directly upon an aisle or driveway designed to provide a safe and efficient means of vehicular access to the parking space without directly backing or maneuvering a vehicle into a public right-of-way. All off-street parking and traffic circulation facilities shall be designed with an appropriate means of vehicular access to a street or alley, in a manner which least interferes with traffic movements.

Sec. 78-1210 – Parking lot design standards. This chart is available at the City Clerk’s office.

Sec. 78-1234 – Minimum permitted throat length. The minimum permitted throat length for vehicles accessing property used for multiple-family dwellings or for nonresidential purposes shall be established by the plan commission during site plan review, but shall not be less than 25 feet for properties used for multiple-family dwellings and nonresidential properties with a total building gross floor area of 50,000 square feet or less. . . .

All interested persons or their agents will be heard at said hearing after which a final determination will be made. This notice is given under Section 78 of the Municipal Code of Ordinances.

Please Note: This Public Hearing will be conducted via telephone. Members of the public may participate via the internet link <https://us02web.zoom.us/j/84485987833?pwd=MTRjT0E1K1YwcEEzWGZDdGFNzkhwZDZ09> or by calling 1-312-626-6799 and entering meeting ID: 844 8598 7833 and password: 213338
