Subject: Needing additional space for the Milton Night Market

Hello,

Just to go over what we spoke about over the phone today, we need more space for the night market. We have 40+ vendors as of right now, not including the radio and food trucks. I know last year people wanted more parking in the skinny lots (school & splash pad lot), so we are trying to keep those clear. We would like to appear before council to ask for the first block of college street to be closed as well to allow for more vendors and safely have space for families and citizens to walk around safely. We spoke to all of the businesses as well on that block and no one had an issue. I attached below the drawing as requested. We will see you Tuesday at the council meeting. Please let me know if you have any questions.

Thanks,
Nikki Olson

CITY OF  MILTON

Thanks Jenny! Do you think we can ask for the street to be closed at 3:30 to allow extra time for vendors to set up?
We have 50 vendors plus food trucks now.
See you Tuesday.
Kate
