Summary

Mike and Lori Jacobsen, owners of The Junction Pub have applied for a site plan review for an awning installation at 130 Merchant Row.

Analysis and Key Issues

The property currently has an existing awning. The proposed awning will be similar to the existing awning but will feature a different color and signage. The awning meets the B-3 zoning area requirements.

Fiscal Impact

There is no fiscal impact to the City of Milton for this request.

Recommended Motion

The City Staff recommends the Plan Commission approve the awning installation at 130 Merchant Row.
