Summary

Haugen-Halbach Holdings, Inc. has presented an offer to purchase approximately 12 acres of land owned by the City of Milton south of Putman Parkway in the Crossroads Industrial Park.

Analysis and Key Issues

Haugen-Halbach Holdings, Inc. intends to purchase approximately 12 acres of an existing 29 acre parcel of land that is owned by the City of Milton in the Crossroads Industrial Park. The developer is in discussions with the City of Milton to develop the site with a mix of industrial uses. The City Administration will work to create a TIF Development Agreement to elucidate the development plans and phasing.

The offer is contingent upon the following provisions:

- This Offer is contingent on Seller and Buyer entering into a TIF Development Agreement approved by the Common Council of the City of Milton prior to closing.
- This Offer is contingent upon the preparation of a Certified Survey Map by the Buyer creating the parcel which is the subject of this Agreement consisting of not less than nine (9) acres and not more than twelve (12) acres, approval of the Certified Survey Map by the Common Council of the City of Milton and the recording of said Certified Survey Map.
- This Offer is contingent upon approval by the Common Council of the City of Milton.

The Plan Commission's role when reviewing purchases or sales of land is to ensure the respective transaction is commensurate with established City Plans. The subject site is located on City owned property within Tax Incremental Financing District 11 in Crossroads Business Park. The City's future land use plan designates this site as General Industrial. The proposed sale and intended use is consistent with this designation.

Fiscal Impact

The subject site is located within the City's Tax Incremental Financing District #11. As noted in the contingencies, a TIF Development Agreement will be required prior to closing. The TIF Development Agreement will outline the roles and responsibilities of the parties and the financial implications of said agreement. This agreement will be forthcoming at a future Common Council agenda for review.

Recommended Motion

The City Administration recommends approval of the offer to purchase land by Haugen-Halbach Holdings, Inc. in the City of Milton.
