Memo

To: Mark Langer, P.E., Director of Public Works

City of Milton

From: Gary Vogel, P.E.

Date: September 14, 2022

Project No.: 212368.05

Subject: Clapper Properties – Southwest Corner of E. High Street & Gateway Drive

Mark,

We received the revised “Grading & Drainage Plan” entitled, “Clapper Properties LLC - Auto Shop & Showroom”, dated August 25, 2022, and supporting storm water calculations submitted by Batterman. We find they have addressed each of the comments we had in our previous review and take no exceptions to the documents submitted.

Our review did not include field verification of existing conditions, elevations, grades and/or topography as shown on the plans. The developer and their consultants have the ultimate responsibility for the correct representation of existing field conditions, as well as providing a design that complies with City Ordinances and Standards, and obtain all necessary approvals.
