Memo

To: Mark Langer, P.E., Director of Public Works

City of Milton

From: Gary Vogel, P.E.

Date: May 17, 2022

Project No.: 212183.60

Subject: Journey Hills Project Status

Mark,

Below are two lists regarding the status of the project construction and the needs for project completion:

Required for Building Permits

- Perform air pressure and mandrel testing for sanitary sewers
- Provide as-built assurance that storm water facilities, including ditches, are properly constructed

Outstanding Items for Final Acceptance

- Provide as-built plans for all infrastructure
- The first lift of asphalt placed in 2022
- Final lift of asphalt in 2023
- Sidewalks shall be installed prior to occupancy permits (not necessarily final acceptance)
- Miscellaneous site clean-up, erosion control removal, etc.
