Date: 10/14/22

Project No.: 212183.60

Subject: Journey Hills – Phase 1 Completion and Letter of Credit

Mr. Jeff Leeson has requested acceptance of the construction for the Journey Hills Subdivision – Phase 1. The construction of the project is now complete, except for the surface asphalt, sidewalks, and miscellaneous structure adjustments prior to final paving. The record drawings are also complete.

We recommend the City accepts the construction of the subdivision along with the Letter of Credit provided by the developer.
