Summary

The proposed easement is to allow for construction of a public sanitary sewer main to serve the recently approved Park Place Investments site.

Analysis and Key Issues

The sanitary sewer service to the approved Park Place investment site will be installed through a private lot located at the west end of Park Place. The owner of the lot is the developer of the Park Place Investment project and has agreed to grant the easement for installation of the public sanitary sewer main to service the site.

Fiscal Impact

Staff and legal counsel time for review and preparation of the easement.

Recommended Motion

The City Administration recommends approval of the proposed easement.
