

Common Council Report

Agenda Item: Discussion and Possible Action Regarding Use of the City of Milton Department of Public Works Facility for a Clean Sweep site
Meeting Date: April 18, 2023
Presenter: Mark Langer, Public Works Director
Department: Public Works

Conformance with Strategic Plan:

- Affordability & Financial Stability
- Safe, Inclusive, Welcoming Community
- Diverse Opportunities for Fun and Life-Long Learning
- High Performing Organization with Professional Staff
- Environment for Business Success with Thoughtful Growth and Development

Summary

Review and approve work related to effluent pump replacement.

Analysis and Key Issues

Rock County Land Conservation facilitates Clean Sweep events. This year there has been consideration given to hosting a third opportunity for customers in Rock County. The proposed locations are:

- Friday, June 23, 11 AM – 1 PM at Milton DPW
- Saturday, June 24, 9 – 11 AM at City of Beloit DPW
- Saturday, August 26, 9 - 11 AM at Rock County DPW on north side of Janesville

Fiscal Impact

There will be approximately 6 hours of staff time (2 staff) involved in setting up and taking down the clean sweep traffic control as well as assisting with registration and check in of customers.

Recommended Motion

City administration recommends approving the use of the City of Milton Public Works Facility as a Clean Sweep site.
