This project is the final step in restoring all the historic windows in this 1867 home. Unfortunately the original windows were destroyed. This contractor specializes in rebuilding historic windows. He will build them to match existing original windows in this addition to the home. It was added in 1883. There is drywell on the inside that will need to be cut out to accommodate the windows - inside trim will also need to be added. This is a job I trust this contractor to complete. He restored the other windows over a 2 year span. I cannot get a second bid from anyone ->

else due to the Custom job that needs to be done .

Mitchell & Sons gave a Bid to Remove the
Cinder Block & haul away .

DOCUMENTS TO INCLUDE

- Two contractor proposals
- Site plan
- Copy of Contractor License
- Proof of Insurance
- Photos of what will be repaired

Certification: The information provided above is true and accurate to the best of my knowledge and I have read and understand the guidelines of the City of Milton Residential Exterior Improvement Program and agree to abide by its conditions. I acknowledge that the Common Council has the right to terminate this agreement under the Residential Exterior Improvement Program if I, as the applicant, am found to be in violation of any conditions set forth in the guidelines of the program. I understand that this is a matching grant up to \$5,000.
