6336 N Kennedy Rd
Milton WI 53563-9197

Dear Owner/Tenant:

A recent survey of sidewalks after the last snowfall found that the sidewalk at your property, **Parcel V-23-1345, Lot on W Madison Ave**, had not been cleared within 60 hours of the end of the snowfall. Under Ordinance #284 of the Municipal Code, it is the responsibility of the owner or occupant in charge of each and every building and structure or unoccupied lot in the city that fronts or abuts any street to clean or cause to be cleaned the sidewalk in front of each home, building or unoccupied within 60 hours of the end of the snowfall.

If any sidewalk within the limits of the City remains unclean past 24 hours from this notice being sent, the City shall forthwith cause the snow to be removed or the ice to be sanded. The charge for snow removal or sanding by the City shall be established by resolution.

Snow and ice removal charges shall be billed to property owner at a **rate of \$150.00 per hour and/or \$150.00 per lot with a minimum fee of \$150.00**. You will also be billed for reinspection fees for each occurrence, at a **rate of \$150.00** for the first inspection, increasing to a **maximum of \$400.00** for subsequent inspections.

It is to your advantage to clean the walk and avoid any charges from the City of Milton. If charge is not paid, this charge shall be placed on the tax roll as a special charge to be collected in the same manner as other taxes.

Salted sand is available for sidewalks at the Public Works garage at 150 Northside Dr.

Date of snowfall:	12/12/2020
Date of inspection:	12/14/2020

This will be your only notice for this 2020-2021 snow season.

Sincerely,

Blaine Larson
Code Enforcement Officer

BL/bkm
