### Summary

Chris Roach, owner of Park Place Investments has submitted an annexation petition for his land consisting of 49.43 acres to be annexed into the City of Milton from the Town of Milton. Upon approval of the annexation, an additional ward will need to be created since the property is in a different Rock County Supervisory district.

### Analysis and Key Issues

The City of Milton has nine existing wards based on the approval of the redistricting process adopted in October of 2021. Since the parcel to be annexed in the City is located in Rock County Supervisory District 6 and the rest of the City of Milton is located in Rock County Supervisory District 5, an additional ward will need to be created. The attached resolution approves the creation of Ward 10 that will be provided to Rock County and the Wisconsin Elections Commission.

### Recommendations

City Staff recommends approving Resolution #2022-09: Creating City of Milton Ward 10.
