

BASEBALL OUTFIELD SIGN APPLICATION

The Public Works Department will hang and remove all signs from the fields. Signs can either be stored during the winter months at the Public Works Facility, 150 Northside Drive, or the business can pick up their sign from the facility and store the sign on their own. The signs will go up on approximately April 1st and be removed approximately October 31st (weather permitting). The depiction or description of alcohol or tobacco including but not limited to logos, firearms, and products and services not suitable for youth or the promotion of Milton's community values, are prohibited. Restaurants or distributors may advertise their business name provided no prohibited items are included. Signs are to be ordered from a sign company who must then forward an electronic copy of the proposed sign to the Administrative Services Director and the Public Works Director to be approved. The business may use a sign that they currently own as long as it meets the requirements. If a sign is damaged, it will be the responsibility of the business owner to repair or replace the sign. Contact Public Works Director Mark Langer if there are any questions at (608) 868-6914 or by e-mail at mlanger@milton-wi.gov.

Signs must be 4' x 8' Coroplast with grommets around the edges to easily secure the sign to the fence.

Business Name _____ Contact _____

Address _____
Street City State Zip

Phone _____ E-Mail _____
