Summary

The Compliance Maintenance Annual Report (CMAR) is an annual report required by the Department of Natural Resource for publicly and privately owned domestic treatment works. The CMAR is a self-evaluation tool that promotes the owner’s awareness and responsibility for wastewater collection and treatment needs, measures the performance of a wastewater treatment works during a calendar year, and assesses its level of compliance with permit requirements. Analysis and Key Issues

A point total is used to measure compliance, and our grade point is 4.0 on a scale of 4. We are in the voluntary range for improvements and we have as “A” rating for our treatment plant. The treatment plant staff have consistently done an excellent job of maintaining an “A” rating for the city’s treatment facilities.

Fiscal Impact

The recommended motion has no fiscal impact.

Recommended Motion

The City Administration recommends forwarding approval of the CMAR report and Resolution #2022-14 to the Common Council for submittal to the Department of Natural Resources.
