

CITY OF MILTON POLICE DEPARTMENT

2020 ANNUAL ACTIVITIES REPORT

Prepared by
Scott E. Marquardt
Chief of Police

A NOTE FROM THE CHIEF

I am proud to present to you the 2020 City of Milton Police Department Annual Activities Report.

No organization, ours included, could escape the wide-ranging impacts of the COVID-19 pandemic. Due to the tremendous collaboration between emergency services agencies in the county, mitigations were put in place to minimize the risk of being exposed during our work. I am grateful we were able maintain our service delivery throughout the year with no impact to the public. Our annual statics reflect the overall impact of the pandemic on staff activities. The reduction in traffic and closures of businesses meant fewer reported crimes and calls for service over past years. From a budget perspective, we also saw some differences. Overtime was down as there were fewer court appearances, training schools and out of state vacations that would normally create openings in the schedule that need to be covered. Additionally, while we had some COVID-19 exposures and infections that took folks away from work, such situations were isolated to one or two employees at a time. This helped minimize the impact to the budget and service delivery. Due in part to the generosity of our residents, we never saw shortages in required PPE as other agencies around the country felt. Your police department and our individual employees were all very resilient in 2020 as we learned to adapt to the shifting expectations of the pandemic.

In October 2020, we again hosted assessors from the Wisconsin Law Enforcement Accreditation Group (WILEAG) to evaluate our compliance with accreditation standards. After first receiving accreditation in 2014, this was our second re-accreditation assessment. I am happy to say we have once again been accredited for three years. I'm so very proud of the department, especially our accreditation manager, Detective Ryan Justice. The amount of tasks that need to be performed successfully to remain accredited require each and every employee to be committed to the effort. The department continues to rise to that challenge and performs with excellence.

In December 2020, we said goodbye to a senior employee. Lieutenant Kyle Johnson resigned from the department to become the Chief of Police for the Village of Roberts Police Department. Kyle is missed, but it is gratifying to see an employee grow to the point they are ready to take that next career step into a role with even more responsibility. We wish him well and will continue to do all we can to support his success in his new organization.

The 2020 Annual Report will follow the same format as 2019, continuing with the inclusion of more statistical data regarding the work we do at the police department. If you have any questions about the data or wish to ask additional questions about our work, don't hesitate to give me a call to discuss further.

I'm proud of the work we did in this unprecedented year. I'm again grateful for and humbled by the tremendous support we receive from our community. We cannot do this work or be successful without your help and support. Thank you for being there for us once again in 2020 and into the future.

Scott E. Marquardt

2020 DEPARTMENT DESCRIPTION

The Milton Police Department is responsible for providing 24 hour police services and protection in the City of Milton. The department employs eleven full-time police officers, two part-time officers, and one full time support staff member. A second support staff member is also the Milton Municipal Court clerk. Our court clerk spends 85% of her scheduled time dedicated to municipal court duties and 15% of scheduled time dedicated to the police department.

The police department believes strongly in community policing which is reflected in our organizational structure and enforcement philosophy. We believe in the critical importance of partnering with our community to identify and solve community problems so that we can maintain and enhance the quality of life in Milton. The department consists of three different areas: police administration, patrol, and support services.

Police Administration:

In 2020, Police Administration consisted of Chief of Police Scott Marquardt, Deputy Chief Michael Chesmore and Patrol Lieutenant Kyle Johnson. Each member of the administrative staff is responsible for supervision of select employees.

The Chief of Police is generally responsible for the following:

- Departmental control and direction
- Maintaining personnel and other resources of the department
- Budget development and maintenance
- Under the provisions of Wisconsin State law, specific authority in matters of operations and discipline
- The development and implementation of department rules, regulations, policy and procedures
- Direct supervision of the Deputy Chief, Patrol Lieutenant, Detective, clerical support team and crossing guards

The Deputy Chief is generally responsible for the following:

- Supporting daily administrative operations
- Training and development of all police officers in the department
- Assisting in budget maintenance
- Managing the maintenance of the vehicle fleet and officer equipment
- Court liaison officer to municipal court
- Direct supervision of day shift officers, school resource officers, and code enforcement officer
- Oversight of the evidence and property function, to include managing the evidence storage facility and processes
- Administrator for the body camera program
- Serving as acting chief in the absence of the Chief of Police

The Patrol Lieutenant is generally responsible for the following:

- Direct supervisor of the afternoon and night shift team of officers during his scheduled shift of 6:30 p.m. to 3 a.m.
- Court liaison officer to municipal court

- Supervision of the entire field training program for new officers, including supervision and policy development
- Assisting in budget maintenance
- Creation and maintenance of the patrol schedule
- Serving as acting chief in the absence of the Chief of Police and the Deputy Chief

Patrol Division:

The patrol division consists of three teams of officers working designated shifts: days (1st Shift), afternoons (2nd Shift), and nights (3rd Shift).

1st Shift: 4 Full-Time Sworn Officers

- Patrol Officer Jim Schumacher serves as a day shift patrol officer. His additional duties include salvage inspections and a staff instructor in firearms and spike strip use. He is a field training officer and a part time school resource officer at the Milton Middle School.
- Detective Ryan Justice is responsible for the investigation of serious crimes and follow-up on select investigations that have been reported to the patrol division. Detective Justice also serves as our agency accreditation manager, the Internet Crimes Against Children (ICAC) task force representative and a point person on a number of projects.
- Patrol Officer Ryan Spangler serves as a day shift patrol officer. He is a trained evidence technician and a part time member of the Rock County Special Investigations Unit (SIU). Officer Spangler is also a field training officer.
- School Resource Officer (SRO) Ryan Schneider is posted to the Milton School District, primarily Milton High School, when school is in session. The Milton School District serves a student population of over 3,600 students and 400 staff members. This sworn assignment is responsible for investigating incidents taking place at school and follow-up with students on other types of incidents. In addition, the SRO provides proactive programming in the classroom and is a positive law enforcement presence during the school day and at co-curricular events. The SRO is a cost-shared position with all personnel expenses paid by the Milton School District when the officer is acting in an SRO capacity. Officer Schneider is also the department's evidence custodian and an evidence technician.

2nd Shift: 2 Full-Time Sworn Officers

- Patrol Officer Justin Geske serves as an evening shift patrol officer. He maintains our portable breath testing machines and is a trained evidence technician. In 2020, he was certified as an instructor for Defense and Arrest Tactics and Taser curriculums.
- Patrol Officer Heather Peck is an evening shift patrol officer. One of her collateral duties is maintaining our Intoximeter breath machine.

3rd Shift: 2 Full-Time Sworn Officers

- Patrol Officer Jared Fish is a night shift patrol officer. He is also the new

coordinator of the department's participation in state wide traffic safety initiatives, such as Click It or Ticket and Booze and Belts. Together with the prior coordinator, Lieutenant Johnson, their work has resulted in equipment grant awards totaling more than \$24,000 in recent years. Officer Fish also maintains the inventory of the content of all squad cars. In 2020, Officer Fish became a certified firearms instructor.

- Patrol Officer Andy Ries is our newest officer, completing his probationary period in September 2019.

Part Time Officers: 2 Part-Time Sworn Officers

- To assist with meeting minimum staffing needs on patrol, the police department also employs part time officers. The part time officers are fully sworn police officers who have completed the same hiring and training requirements as full time officers.
- In calendar year 2020, the part time officers were Blaine Larson and Chris Hughes.

Support Services:

Code Enforcement Officer: Part-Time Sworn Officer

Officer Blaine Larson serves as the part time police code enforcement officer for the City of Milton. He works approximately 20 hours a week. He works cooperatively with the Department of Public Works on nearly all code enforcement activities. It is crucial to note that while the code enforcement calls for service have been tracked and documented in the police department's record management system, the work itself may have been completed by Department of Public Works employees, Officer Larson or a combination of both. In addition to his code enforcement duties, Officer Larson also coordinates with regional public and private partners in documenting, classifying and disposing of items dropped off at our prescription drug drop box. In 2020, more than 987 pounds of material was properly disposed of. This is a 26% increase from the 2019 total of approximately 783 pounds and a 72% increase from the 2018 total of approximately 571 pounds.

Clerical Support: 1.15 Full-Time Non-Sworn Employees

Support Services Manager Becky Sexe is a full time employee generally responsible for the following:

- Coordinating records management at the police department
- Routing numerous documents to various agencies requiring them such as the district attorney's office, health and human service departments and outside agency requests
- Coordinates equipment purchases and payroll
- Assisting in budget maintenance
- Typing of dictated officer reports
- Answering non-emergency telephone calls during business hours
- Processing walk in complaints
- Processing fine payments

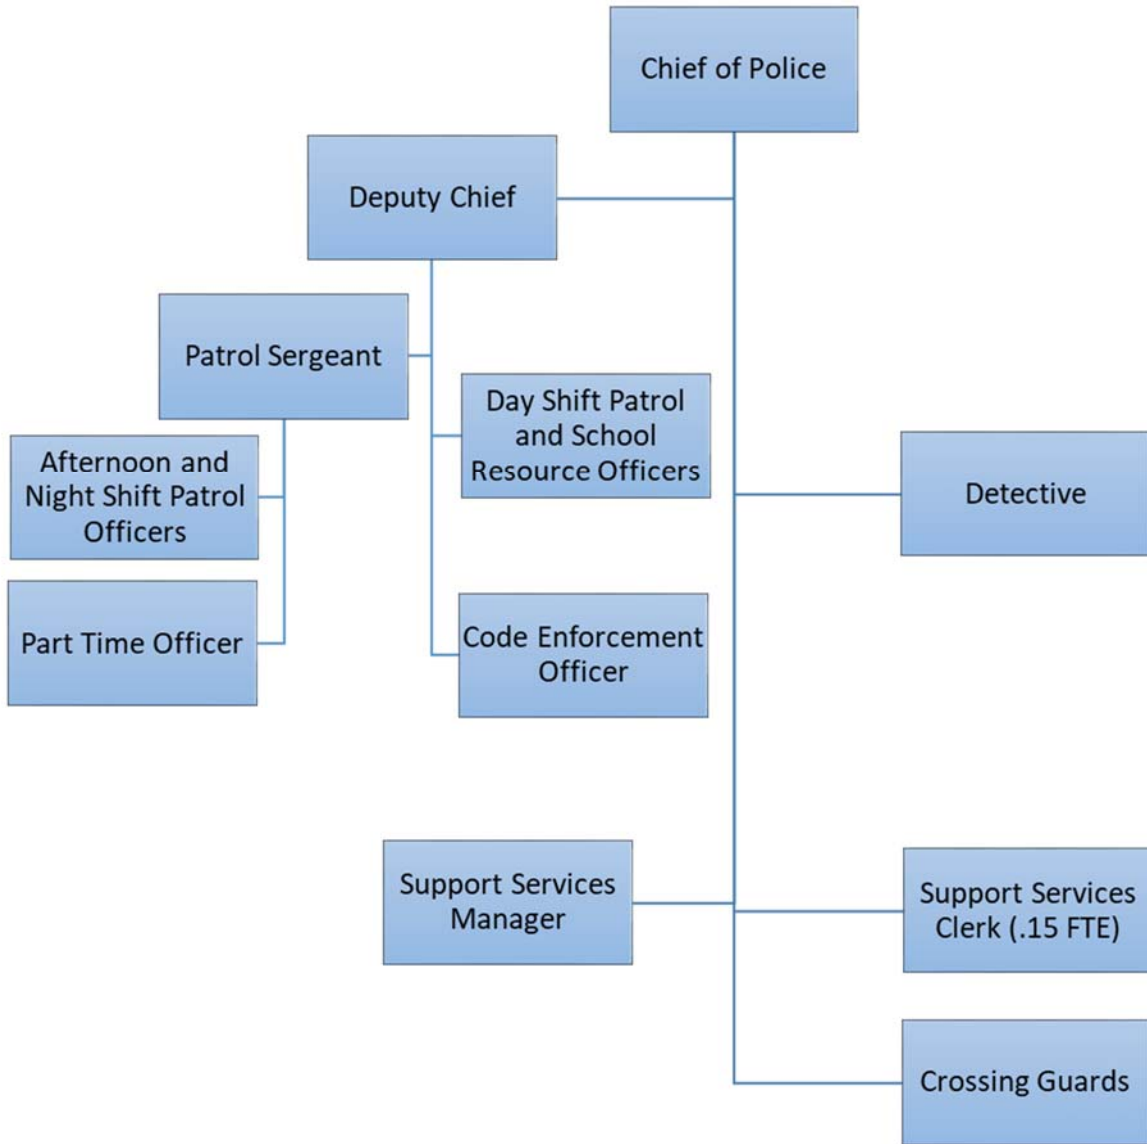

Municipal Court Clerk Kris Klubertanz is a full time employee of the City, but her

time is split between the Municipal Court (85%) and the police department (15%)
In her police department support function, she is generally responsible for the following:

- Typing of dictated officer reports
- Answering non-emergency telephone calls during business hours
- Processing walk in complaints
- Processing fine payments
- Records processing and management
- Direct liaison between the Milton Police Department and the Milton Municipal Court

Milton Police Department Organizational Chart

(Revised March 2, 2021)

PROGRAMMING ACTIVITIES

School Resource Officer (SRO) Program:

Before the pandemic shuttered the schools for the end of the 2019-2020 school year, the SROs worked hand in hand with staff to keep the school community safe.

Officer Ryan Schneider, the Milton Police Department SRO, is assigned to the schools (primarily the high school) on a full time basis, except during school breaks. Officer Schneider has been very effective at student outreach and education that has made the environment at the schools better by his presence. In the 2019-2020 school year he did 24 class presentations, attended 21 school events in uniform, and had 650 conferences with students. Conferences with students are an effective way to counsel students and redirect inappropriate behavior, as well as fostering a positive relationship between law enforcement and the school population. Beyond preventive education and counseling, Officer Schneider filed 47 incident reports, made 39 arrests, and wrote traffic/parking tickets. The arrests were made for a variety of offenses including truancy, disorderly conduct, possession of drugs, battery, possession of a vaping device, and tobacco possession. Officer Schneider returned to the patrol schedule when the schools had pandemic-related closures.

Officer Jim Schumacher is assigned to the middle school on a part time basis, averaging just a handful of hours each week. Given the limited hours and the age of the population, Officer Schumacher doesn't handle the same volume or seriousness of calls at the middle school as Officer Schneider does at the high school. However, he has managed many of the same type of incidents and is an important presence at the middle school.

Other Initiatives:

Improved Communication through Technology:

The department continues to expand its community outreach through the use of Facebook. The department has 4,695 followers on our Facebook page, up from 4,288 at the same time last year. We have used Facebook to provide information to the community on a wide variety of topics, from emergency preparedness to crime alerts.

The police department continues to be a popular destination for those using the City of Milton's website. Citizens can submit a crime tip to the Janesville Area Crime Stoppers (of which Milton is a part of) on our website. We also host an internet based "Bully Alert" reporting system. We work collaboratively with the Milton School District on following up on reports of bullying within our community.

In the summer of 2020, we began expanding the number of policies we make publicly available on our website.

- Wisconsin state law now requires agencies to publish their body cam policies for public review.
- In response to the many reform efforts in 2020, we have published our Use of Force and Internal Investigations policies.

- In addition, the WILEAG Accreditation Standards are now accessible on our webpage.

The policy page can be found at <https://www.milton-wi.gov/537/Policies>. Over time, more policies will be added here as a resource and to demonstrate our transparency in the work we perform.

Finally, we are fortunate to have a strong relationship with our community's newspaper, the Milton Courier, which helps us communicate trends or noted areas of public safety concern.

Crime Prevention:

The Milton Police Department doesn't only focus on taking crime reports, but includes crime prevention as part of its mission. The department is committed to the development and fostering of community based crime prevention efforts. Specific crime prevention efforts include:

- Participating in the Janesville Area Crime Stoppers programs and initiatives
- Having one session of Lunch with a Cop at Northside Intermediate School with 4th grade students before pandemic closures
- Numerous presentations and conversations over Zoom
- Virtual Shop with a Cop: Officers throughout the county met over Google Meet with kids selected by the Milton School District. Together, they were able to shop online for the holidays thanks to a very generous grant from the Walmart Corporation.

The pandemic certainly hampered many of these efforts in 2020, but we hope to get back to them soon.

Employee Training:

All of our officers received and qualified in state regulated and mandated firearms training. All officers also received specialized training of their choosing so that they could enhance their skills as officers. This training included how to properly approach vehicles, interviewing, drug trends, implicit bias, accreditation assessment, crisis intervention, and numerous other topics.

Accountability to Our Citizens:

Internal Affairs Investigations:

No internal investigations were conducted in 2020.

Citizen Complaints:

In 2020, we received four informal citizen complaints regarding how officers handled certain situations while on duty. In one case, the complaint was about an arrest made in 2003. The other three cases related to incidents in 2020. In all four cases, the citizens making the complaint did not follow through on the formal citizen complaint process. Despite the lack of formal complaint documentation, all four situations were still reviewed by department supervisors. In three cases, the officers' behavior was found to be appropriate and within departmental policy. In

the fourth case, the officer acted within policy, but was coached regarding his demeanor when communicating with the people involved in the situation.

Use of Force:

The Milton Police Department had thirteen documented use of force incidents in 2020. This incidents involved two juveniles, nine adults and two injured/sick animals. Eleven of the incidents involved uses of force to make an arrest. The other two involved the humane disposal of a sick or injured animal.

Details of the force used:

- Six incidents involved using escort/compliance holds to make an arrest.
- In one incident, escort/compliance holds were not effective so the officer performed a decentralization/vertical stun. This involves physically moving the subject into a fixed object or to the ground where they are then under control and handcuffed.
- In one incident, a subject had fled from a hospital into a home. Not knowing if the subject was now armed, the officer drew his Taser before taking the subject into custody with no other use of force.
- Four incidents involved an officer drawing his or her firearm, but not using it in any fashion.
- Officers used deadly force to humanely euthanize two sick/injured animals.

Other than the two animal incidents, none of the uses of force resulted in any injuries to any of the subjects.

Deputy Chief Michael Chesmore conducts a formal review of all use of force incidents in the department. He deemed that each officers' actions were appropriate for the circumstances they were faced with. In every case, the officers used the minimum amount of force necessary to control the subjects and were in compliance with department policy and procedures, training, and state and federal laws.

Budget:

The Milton Police Department budget was \$1,292,442.00 in 2020. The department expenditures were \$56,330.01, or 4.36%, less than the budgeted amount, with the remaining balance returned to the general fund. The bulk of the budget savings were on the salary and health insurance line items due to conservative forecast modeling. As with any municipal organization, the police department budget largely consists of personnel expenses with more than 93% of the budget devoted to wages and benefits of our employees.

ACTIVITY REPORT

The following pages contain three charts documenting different data sets that we maintain as statistical measures of our work:

- Calls for Service, 2014-2020
 - The data in this report is created from all call types entered into the Rock County 911 Center's computer aided dispatch (CAD) system, incorporating data from the countywide Spillman Records Management System.
 - The highlights in some cells of the chart have the following meaning:
 - Green: number of calls in that type have gone up
 - Red: number of calls in that type have gone down
 - Yellow: number of calls in that type have gone up greater than 200%
- 2020 Citation Totals by Offense
 - Every written citation issued by the department in 2020, both ordinance citations and traffic forfeiture citations.
 - Each of these citations were processed through the City of Milton Municipal Court.
- 2020 Criminal Arrests
 - Every criminal arrest the department made of juveniles and adults in 2020.
 - An arrest by the police department does not always result in a criminal charge or conviction. All persons taken into custody are considered innocent until proven guilty in a court of law.

The Wisconsin Department of Justice collects crime statistics from throughout the state on specific types of crimes. You can see that data at:

<https://www.doj.state.wi.us/dles/bjia/ucr-offense-and-arrest-data-agency>

The Milton Police Department also uploads most of our CAD data to the Community Crime Map, an initiative of Lexis-Nexis. You can see that data at:

<https://communitycrimemap.com/>

Thank you for taking the time to read our 2020 Annual Report. If you have any questions, please contact Scott Marquardt, Chief of Police.
