

CITY OF MILTON POLICE DEPARTMENT

2021 ANNUAL ACTIVITIES REPORT

Prepared by
Scott E. Marquardt
Chief of Police

A NOTE FROM THE CHIEF

I am proud to present to you the 2021 City of Milton Police Department Annual Activities Report.

No organization, ours included, could escape the wide-ranging impacts of the COVID-19 pandemic through another year. For the second year of the pandemic, I am grateful we were able maintain our service delivery throughout the year with no impact to the public.

Aside from the pandemic, the largest challenge in 2021 was managing many staffing changes. In December 2020, we said goodbye to Patrol Lieutenant Kyle Johnson as he resigned from the department to become the Chief of Police for the Village of Roberts Police Department. An internal promotional process was begun in January 2021. As a result, Justin Geske was promoted to the retitled Patrol Sergeant position on March 1, 2021. This created a patrol vacancy so a hiring process began in January 2021. A second patrol vacancy was created in August 2021 by the retirement of Officer Jim Schumacher. The two patrol vacancies required us to move Officer Ryan Schneider from his full time School Resource Officer position to a patrol shift in August.

Unfortunately, the hiring process started in January, limited to applicants who already had academy training, did not result in the hiring of a new officer. A second hiring process was started in May 2021 with a new approach. For the first time, the Milton Police Department hired and sponsored a police recruit through the law enforcement academy process. The hiring change required the creation of a police recruit wage scale, an employee agreement committing the employee to the agency for three years after graduation, and a significant time gap before the new hire was available to fill patrol vacancies. The state police academy training lasts 18 weeks. After graduation, there is an additional 14 weeks minimum of field training at the police department before the new officer is ready to work by themselves. During that time, remaining patrol staff covered the gaps in the schedule.

Fortunately, the newly envisioned May recruitment process was much more successful. Samantha Ziebell and Toby Cook were hired to fill the two vacancies and sent through the police academy in the fall. Both successfully graduated from the academy and began field training at the end of 2021. When they are done with field training in the spring of 2022, the department will be up to full staff for the first time in 15 months. I want to recognize the sacrifice of our line staff for covering one vacancy for all 15 months and a second vacancy for seven months. Managing two holes in the schedule at a small department is difficult for staff, requiring the need to cover many extra shifts on overtime. I'm proud of and grateful for the officers' hard work and sacrifice during this time.

The 2021 Annual Report will follow the same format as 2020, continuing with the inclusion of statistical data regarding the work we do at the police department. If you have any questions about the data or wish to ask additional questions about our work, don't hesitate to give me a call to discuss further.

I remain grateful for and humbled by the tremendous support we receive from our community. We cannot do this work or be successful without it. Thank you for being there for us once again in 2021 and into the future.

Scott Marquardt

2021 DEPARTMENT DESCRIPTION

The Milton Police Department is responsible for providing 24 hour police services and protection in the City of Milton. The authorized staff of the department is eleven full-time police officers, two part-time officers, and one full time support staff member. A second support staff member is also the Milton Municipal Court clerk. Our court clerk spends 85% of her scheduled time dedicated to municipal court duties and 15% of scheduled time dedicated to the police department.

The police department believes strongly in community policing which is reflected in our organizational structure and enforcement philosophy. We believe in the critical importance of partnering with our community to identify and solve community problems so that we can maintain and enhance the quality of life in Milton. The department consists of three different areas: police administration, patrol, and support services.

Police Administration:

In 2021, Police Administration consisted of Chief of Police Scott Marquardt, Deputy Chief Michael Chesmore and Patrol Sergeant Justin Geske. Each member of the administrative staff is responsible for supervision of select employees.

The Chief of Police is generally responsible for the following:

- Departmental control and direction
- Maintaining personnel and other resources of the department
- Budget development and maintenance
- Under the provisions of Wisconsin State law, specific authority in matters of operations and discipline
- The development and implementation of department rules, regulations, policy and procedures
- Direct supervision of the Deputy Chief, Patrol Lieutenant, Detective, clerical support team and crossing guards

The Deputy Chief is generally responsible for the following:

- Supporting daily administrative operations
- Training and development of all police officers in the department
- Assisting in budget maintenance
- Managing the maintenance of the vehicle fleet and officer equipment
- Court liaison officer to municipal court
- Direct supervision of day shift officers, school resource officers, and code enforcement officer
- Oversight of the evidence and property function, to include managing the evidence storage facility and processes
- Administrator for the body camera program
- Serving as acting chief in the absence of the Chief of Police

The Patrol Sergeant is generally responsible for the following:

- Direct supervisor of the afternoon and night shift team of officers during his scheduled shift of 6:30 p.m. to 3 a.m.
- Court liaison officer to municipal court
- Oversight of the entire field training program for new officers, including field training officer supervision and policy development

- Assisting in budget maintenance
- Creation and maintenance of the patrol schedule
- Serving as acting chief in the absence of the Chief of Police and the Deputy Chief

Patrol Division:

The patrol division consists of three teams of officers working designated shifts: days (1st Shift), afternoons (2nd Shift), and nights (3rd Shift).

1st Shift: 4 Full-Time Sworn Officers

- Patrol Officer Jim Schumacher served as a day shift patrol officer until his retirement on August 30, 2021. His additional duties included salvage inspections and serving as a staff instructor in firearms and spike strip use. He was a field training officer and a part time school resource officer at the Milton Middle School. We are grateful for his service and wish him the very best in his retirement!
- Detective Ryan Justice is responsible for the investigation of serious crimes and follow-up on select investigations that were first reported to the patrol division. Detective Justice also serves as our agency accreditation manager, the Internet Crimes Against Children (ICAC) task force representative and a point person on a number of projects.
- Patrol Officer Ryan Spangler serves as a day shift patrol officer. He is a trained evidence technician and a part time member of the Rock County Special Investigations Unit (SIU). Officer Spangler is also a field training officer.
- School Resource Officer (SRO) Ryan Schneider is typically posted to the Milton School District, primarily Milton High School, when school is in session. The Milton School District serves a student population of over 3,600 students and 400 staff members. This sworn assignment is responsible for investigating incidents taking place at school and follow-up with students on other types of incidents. In addition, the SRO provides proactive programming in the classroom and is a positive law enforcement presence during the school day and at co-curricular events. The SRO is a cost-shared position with all personnel expenses paid by the Milton School District when the officer is acting in an SRO capacity. Officer Schneider is also the department's evidence custodian and an evidence technician. Officer Schneider was removed from the full time SRO position in September 2021 as the department managed two vacancies in the patrol staff. However, when patrol staffing allowed, Officer Schneider still continued to work within the schools as much as possible during the 2021-2022 school year.

2nd Shift: 2 Full-Time Sworn Officers

- Justin Geske began the year as an evening shift patrol officer. He maintained our portable breath testing machines and is a trained evidence technician. In 2020, he was certified as an instructor for Defense and Arrest Tactics and Taser curriculums. He was promoted to the Patrol Sergeant position on March 1, 2021.
- Patrol Officer Andy Ries moved to 2nd shift in 2021. He attended WILEAG

accreditation assessor training in 2021.

3rd Shift: 2 Full-Time Sworn Officers

- Patrol Officer Jared Fish is a night shift patrol officer. He is also the new coordinator of the department's participation in state wide traffic safety initiatives, such as Click It or Ticket and Booze and Belts. Together with the prior coordinator, Lieutenant Johnson, their work has resulted in equipment grant awards totaling more than \$24,000 in recent years. Officer Fish also maintains the inventory of the content of all squad cars. In 2020, Officer Fish became a certified firearms instructor and attended WILEAG accreditation assessor training in 2021.
- Patrol Officer Heather Peck moved to 3rd shift in 2021. One of her collateral duties is maintaining our Intoximeter breath machine. She is also the coordinator of the department's domestic abuse Lethality Assessment Program.

Full Time Recruit Officers

- Officer Samantha Ziebell was sworn in on August 4, 2021 and attended police academy at Blackhawk Technical College in Janesville. After her graduation on December 10, 2021, she returned to the police department to begin the full-time field training program. It is anticipated that she will complete field training and be qualified to work on her own in Spring 2022.
- Officer Toby Cook was sworn in on August 23, 2021 and attended police academy at Northcentral Technical College in Wausau. After his graduation on December 17, 2021, he returned to the police department to begin the full-time field training program. It is anticipated that he will complete field training and be qualified to work on his own in Spring 2022.

Part Time Officers: 2 Part-Time Sworn Officers

- To assist with meeting minimum staffing needs on patrol, the police department also employs part time officers. The part time officers are fully sworn police officers who have completed the same hiring and training requirements as full time officers.
- Code Enforcement Officer Blaine Larson and Patrol Officer Chris Hughes served as part-time officers in 2021.

Support Services:

Code Enforcement Officer: Part-Time Sworn Officer

Officer Blaine Larson serves as the part time police code enforcement officer for the City of Milton, working approximately 20 hours a week. He works cooperatively with the Department of Public Works on nearly all code enforcement activities. It is crucial to note that while the code enforcement calls for service have been tracked and documented in the police department's record management system, the work itself may have been completed by Department of Public Works employees, Officer Larson or a combination of both. In addition to his code enforcement duties, Officer Larson also coordinates with regional public and private partners in documenting, classifying and disposing of items dropped off at our prescription drug drop box. In

2021, more than 867 pounds of material were properly disposed of. In prior years, we collected the following:

2020: 987 pounds
2019: 783 pounds
2018: 571 pounds
2017: 634 pounds
2016: 484 pounds
2015: 579 pounds

Over the last seven years, nearly two and a half tons of medications and other medical products have been properly disposed of, keeping the material out of landfills and water systems, and out of the hands of those who could abuse the medications.

Clerical Support: 1.15 Full-Time Non-Sworn Employees

Support Services Manager Becky Sexe is a full time employee generally responsible for the following:

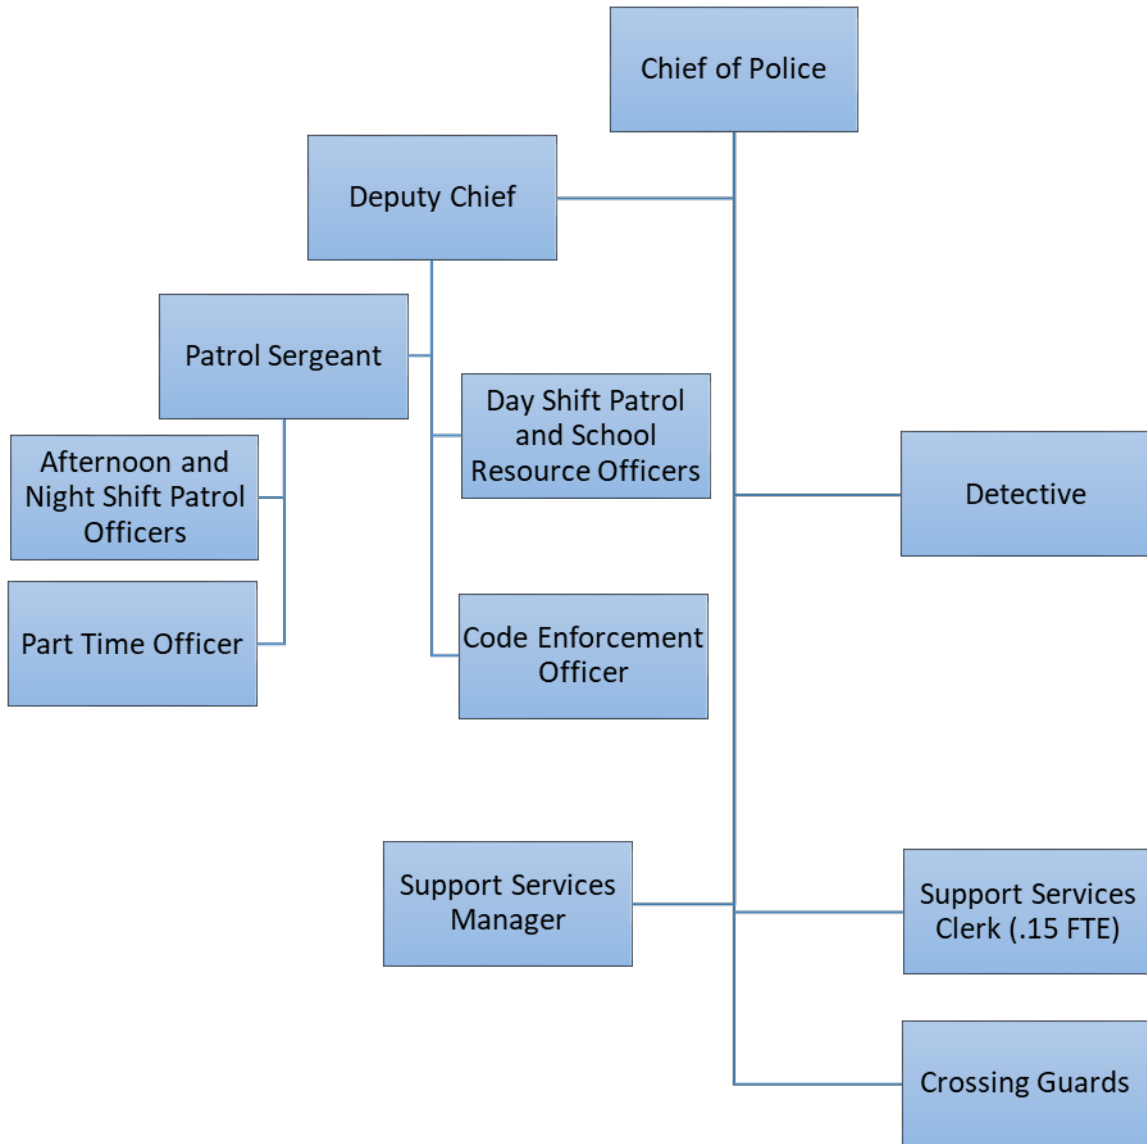

- Coordinating records management at the police department
- Routing numerous documents to various agencies such as the district attorney's office, health and human service departments and outside agency requests
- Coordinating equipment purchases and payroll
- Assisting in budget maintenance
- Typing of dictated officer reports
- Answering non-emergency telephone calls during business hours
- Processing walk in complaints
- Processing fine payments

Municipal Court Clerk Kris Klubertanz is a full time employee of the City, but her time is split between the Municipal Court (85%) and the police department (15%) In her police department support function, she is generally responsible for the following:

- Typing of dictated officer reports
- Answering non-emergency telephone calls during business hours
- Processing walk in complaints
- Processing fine payments
- Records processing and management
- Direct liaison between the Milton Police Department and the Milton Municipal Court

Milton Police Department Organizational Chart

(Revised March 2, 2021)

PROGRAMMING ACTIVITIES

Partnering with the School District of Milton:

The School District of Milton again had pandemic-related interruptions throughout the 2020-2021 school year. Safety protocols also impacted the amount of activity over prior non-pandemic years. However, our SROs continued to work hand in hand with school staff to keep the school community safe.

Officer Ryan Schneider, the Milton Police Department SRO, is assigned to the schools (primarily the high school) on a full-time basis whenever school is in session. Officer Schneider has been very effective at student outreach and education that has made the environment at the schools better by his presence. In the 2020-2021 school year, he did ten class presentations, attended ten school events in uniform, and had 60 conferences with students. Conferences with students are an effective way to counsel students and redirect inappropriate behavior, as well as fostering a positive relationship between law enforcement and the school population. Beyond preventive education and counseling, Officer Schneider filed 21 incident reports and made 27 arrests. The arrests were made for a variety of offenses including truancy, disorderly conduct, possession of drugs, battery, and possession of a vaping device.

Prior to his retirement, Officer Jim Schumacher was assigned to the middle school on a part time basis, averaging just a handful of hours each week. Given the limited hours and the age of the population, Officer Schumacher didn't handle the same volume or seriousness of calls at the middle school as Officer Schneider does at the high school. However, he managed many of the same type of incidents in the 2020-2021 school year and was an important presence at the middle school.

Finally, the school crossing guard program is also a great partnership between the District and the police department. Crossing guard staff are assigned to key intersections throughout the city to help our younger school children cross our busiest roadways.

Other Initiatives:

Improved Communication through Technology:

The department continues to expand its community outreach through the use of Facebook. The department has 5,145 followers on our Facebook page, up from 4,695 at the same time last year. We have used Facebook to provide information to the community on a wide variety of topics, from emergency preparedness to crime alerts.

The police department continues to be a popular destination for those using the City of Milton's website. Citizens can submit a crime tip to the Janesville Area Crime Stoppers (of which Milton is a part of) on our website. We also host an internet based "Bully Alert" reporting system. We work collaboratively with the Milton School District on following up on reports of bullying within our community.

In the summer of 2020, we began expanding the number of policies we make

publicly available on our website.

- Wisconsin state law now requires agencies to publish their body cam policies for public review.
- In response to the many reform efforts in 2020, we have published our Use of Force and Internal Investigations policies.
- In addition, the WILEAG Accreditation Standards are now accessible on our webpage.

The policy page can be found at <https://www.milton-wi.gov/537/Policies>. Over time, more policies will be added here as a resource and to demonstrate our transparency in the work we perform.

Crime Prevention:

The Milton Police Department doesn't only focus on taking crime reports, but includes crime prevention as part of its mission. The department is committed to the development and fostering of community based crime prevention efforts. Specific crime prevention efforts include:

- Participating in the Janesville Area Crime Stoppers programs and initiatives
- Lunch with a Cop at Northside Intermediate School with 4th grade students
 - The program was postponed during the pandemic, but is returning in early 2022.
- Numerous presentations and conversations over Zoom
- National Night Out with Edgerton Police Department
- Shop with a Cop returned to an in-person event with Milton School District students and area law enforcement officers thanks to a very generous grant from the Walmart Corporation.

Employee Training:

All of our officers received and qualified in state regulated and mandated firearms training. All officers also received specialized training of their choosing so that they could enhance their skills as officers. This training included how to properly approach vehicles, interviewing, drug trends, implicit bias, accreditation assessment, crisis intervention, and numerous other topics.

Accountability to Our Citizens:

Internal Affairs Investigations:

No internal investigations were conducted in 2021.

Citizen Complaints:

In 2021, we received six informal citizen complaints regarding how officers handled certain situations while on duty. In all six cases, the citizens making the complaint chose to not participate in the formal citizen complaint process. Despite the lack of formal complaint documentation, all six situations were still reviewed by department supervisors. In all six cases, the officers' behavior was found to be appropriate and within departmental policy.

Use of Force:

The Milton Police Department had fifteen documented use of force incidents in 2021. The incidents involved four juveniles, eight adults and three injured/sick animals. Seven of the incidents involved uses of force to make an arrest. Five involved the use of force not resulting in an arrest. The other three involved the humane disposal of a sick or injured animal.

Details of the force used:

- Six incidents involved using escort/compliance holds to make an arrest.
- One incident involved using escort/compliance holds to help control a person in order to receive medical treatment from EMS
- In one incident, a subject had physically resisted and threatened the officer. The officer displayed his Taser, but did not fire it, and the subject was able to be controlled.
- Six incidents involved an officer drawing his or her firearm, but not using it in any fashion.
- Officers used deadly force to humanely euthanize three sick/injured animals.

Other than the three animal incidents, none of the uses of force resulted in any injuries to any of the subjects.

Deputy Chief Michael Chesmore conducts a formal review of all use of force incidents in the department. He deemed that each officers' actions were appropriate for the circumstances they were faced with. In every case, the officers used the minimum amount of force necessary to control the subjects and were in compliance with department policy and procedures, training, and state and federal laws.

Budget:

The Milton Police Department budget was \$1,357,029.00 in 2021. The department expenditures were \$139,792.28, or 10.3%, less than the budgeted amount, with the remaining balance returned to the general fund. The bulk of the budget savings were on the salary and health insurance line items due to conservative forecast modeling and extended personnel vacancies. As with any municipal organization, the police department budget largely consists of personnel expenses with more than 94% of the budget devoted to wages and benefits of our employees.

ACTIVITY REPORT

The following pages contain three charts documenting different data sets that we maintain as statistical measures of our work:

- Calls for Service, 2014-2021
 - The data in this report is created from all call types entered into the Rock County 911 Center's computer aided dispatch (CAD) system, incorporating data from the countywide Spillman Records Management System.
 - The highlights in some cells of the chart have the following meaning:
 - Green: number of calls in that type have gone up
 - Red: number of calls in that type have gone down
 - Yellow: number of calls in that type have gone up greater than 200%
- 2021 Citation Totals by Offense
 - This data set includes every written citation issued by the department in 2021, both ordinance citations and traffic forfeiture citations.
 - Each of these citations were processed through the City of Milton Municipal Court.
- 2021 Criminal Arrests
 - This data set details every criminal arrest the department made of juveniles and adults in 2021.
 - An arrest by the police department does not always result in a criminal charge or conviction. All persons taken into police custody are considered innocent until proven guilty in a court of law.

The Wisconsin Department of Justice collects crime statistics from throughout the state on specific types of crimes. You can see that data at:

<https://www.doj.state.wi.us/dles/bjia/ucr-offense-and-arrest-data-agency>

The Milton Police Department also uploads most of our CAD data to the Community Crime Map, an initiative of Lexis-Nexis. You can see that data at:

<https://communitycrimemap.com/>

Thank you for taking the time to read our 2021 Annual Report. If you have any questions, please contact Scott Marquardt, Chief of Police.
